

WATER SUPPLY & USAGE STATISTICS

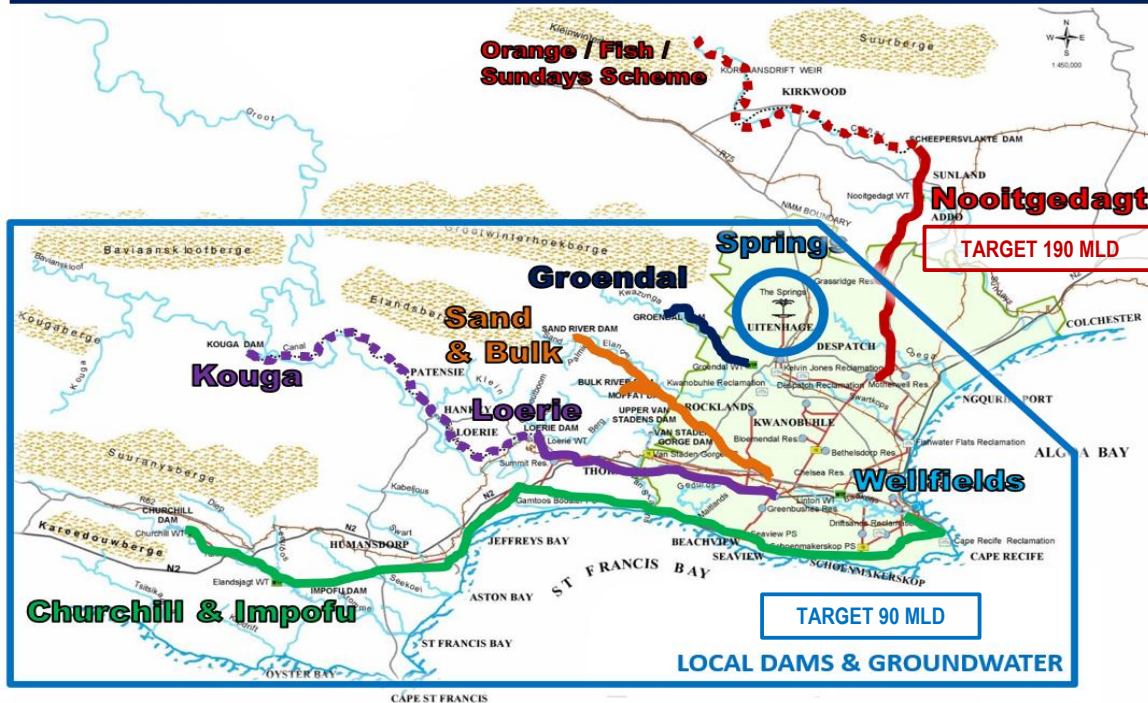

as at day, Monday 30 October 2023

TOTAL DAM STORAGE	CHANGE FROM A WEEK AGO	WATER PRODUCED (SEVEN-DAY AVERAGE)
78.04%	+1.67%	289 MLD

NMBM TARGET DEMAND = 280 MILLION LITRES PER DAY (MLD)

9 MLD USED OVER TARGET!

NMBM POTABLE WATER BULK SUPPLY SYSTEM

* Note that the targets consider infrastructure reliability, system interconnectivity, and recovery of local dams.

69.05% AVAILABLE LOCAL DAM STORAGE!

System	Dam	Storage capacity (ML)	Current storage (%)	Dead storage (%)	Available storage (%)	Available water (ML)
Kromme	Churchill	35,240	100.00	7.5	92.50	32,597
	Impofu	105,757	41.54	16.5	25.04	26,482
Kouga	Loerie	3,026	100.00	19.0	81.00	2,451
	Kouga	125,910	100.00	3.3	96.70	121,755
Groendal	Groendal	11,638	100.00	4.2	95.80	11,149
Total		281,571	78.04	9.0	69.05	194,434

* The barges have been decommissioned, hence the increase to the dead storage volume at Impofu Dam.

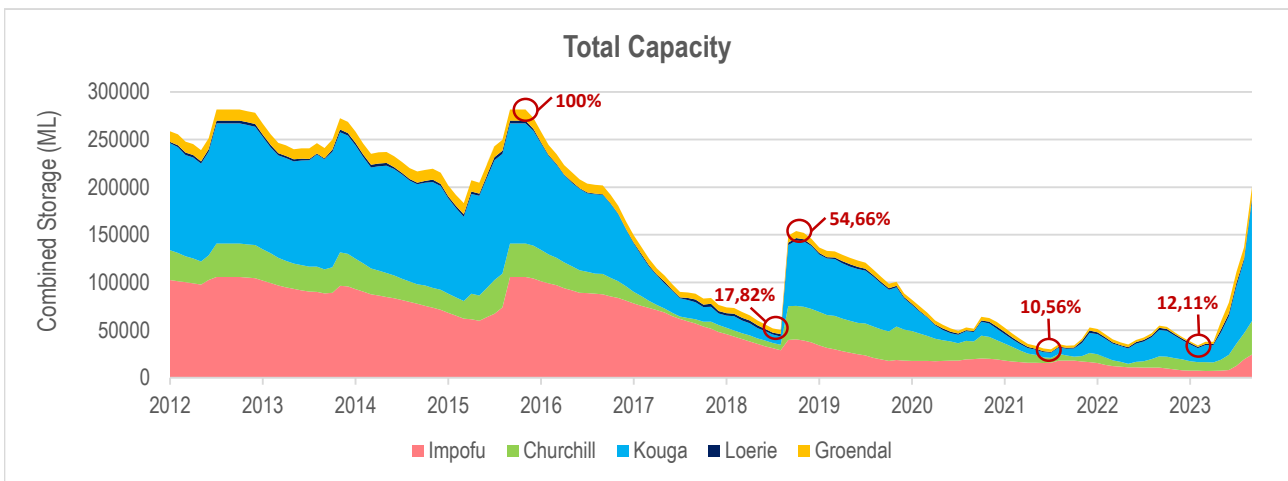

WHEN WILL LOCAL DAMS RUN DRY?

System	Dam	Available water (ML)	RESTRICTED		ACTUAL	
			Usage (MLD)	Water remaining (Days)	Usage (MLD)	Water remaining (Days)
Kromme	Churchill	32,597	31	1906	31	1906
	Impofu	26,482				
Kouga	Loerie	2,451	251	495	135	920
	Kouga	121,755				
Groendal	Groendal	11,149	12	929	10	1115

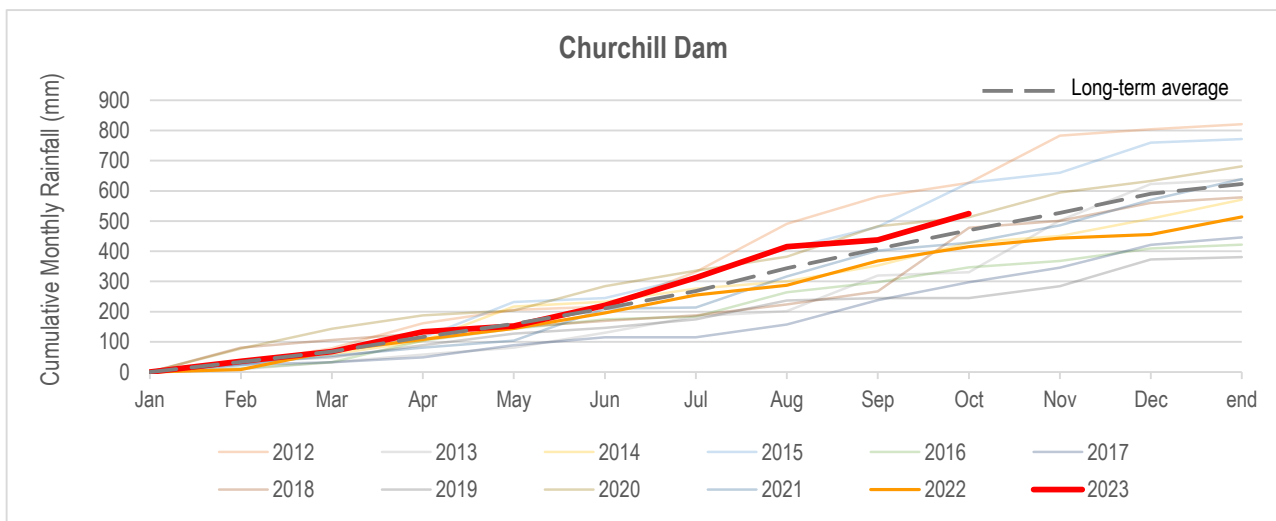

* Allocation from Kouga Dam (251MLD) includes the NMBM's allocation from Loerie Dam (63MLD), Gamtoos Irrigation Board (165MLD), Hankey & Patensie (2MLD), direct irrigators (2MLD) and canal losses.

* Note that restrictions imposed by the Department of Water & Sanitation have been lifted for the Kouga and Groendal Systems on 04 October 2023. Restrictions on the Kromme System remain in place.

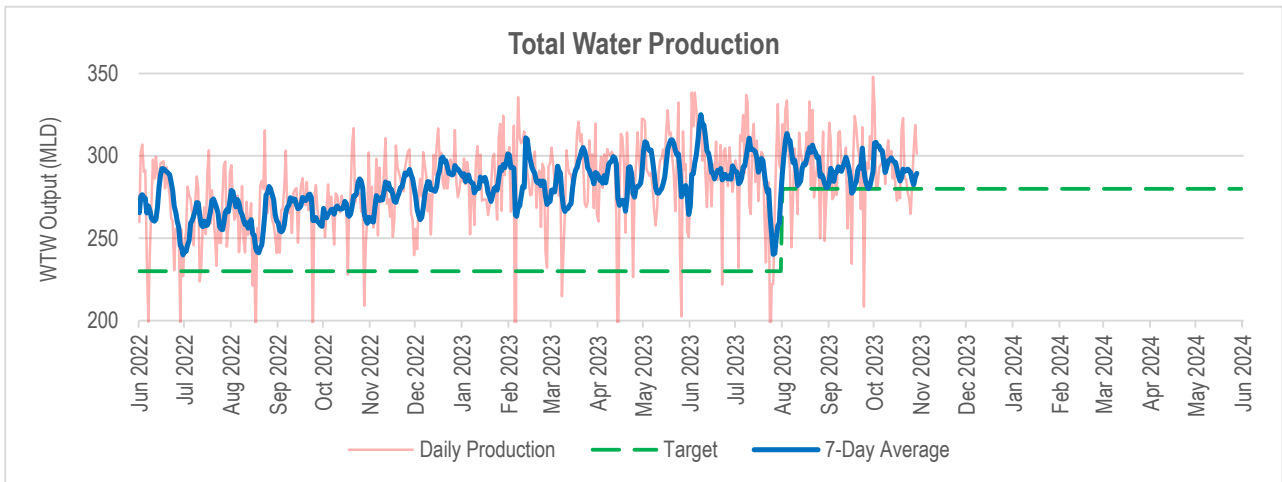

LOCAL DAM STORAGE

RAINFALL IN CATCHMENT AREAS

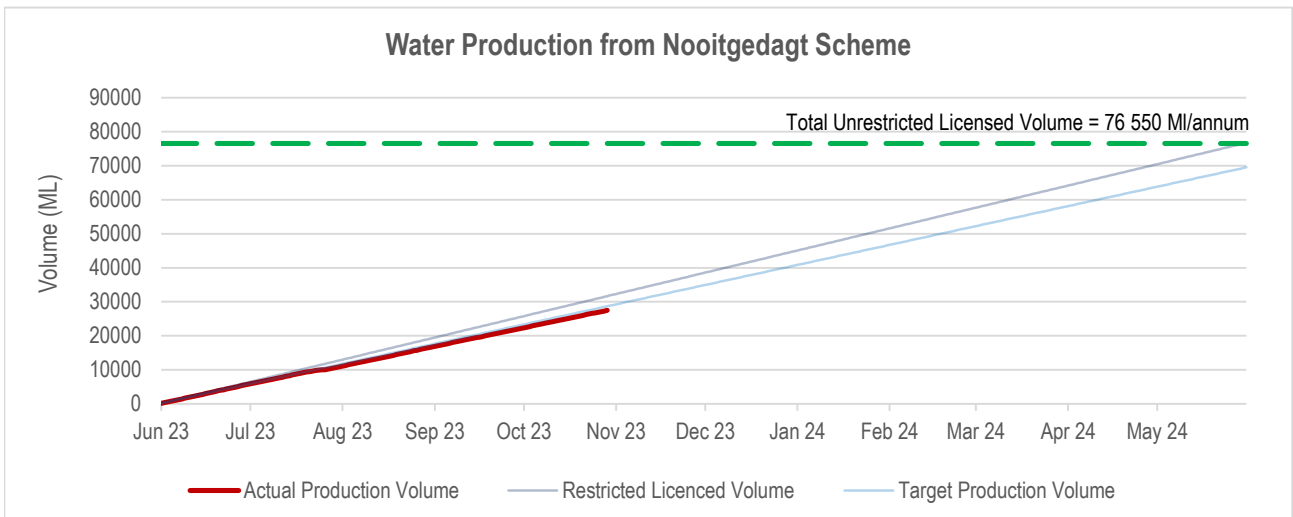

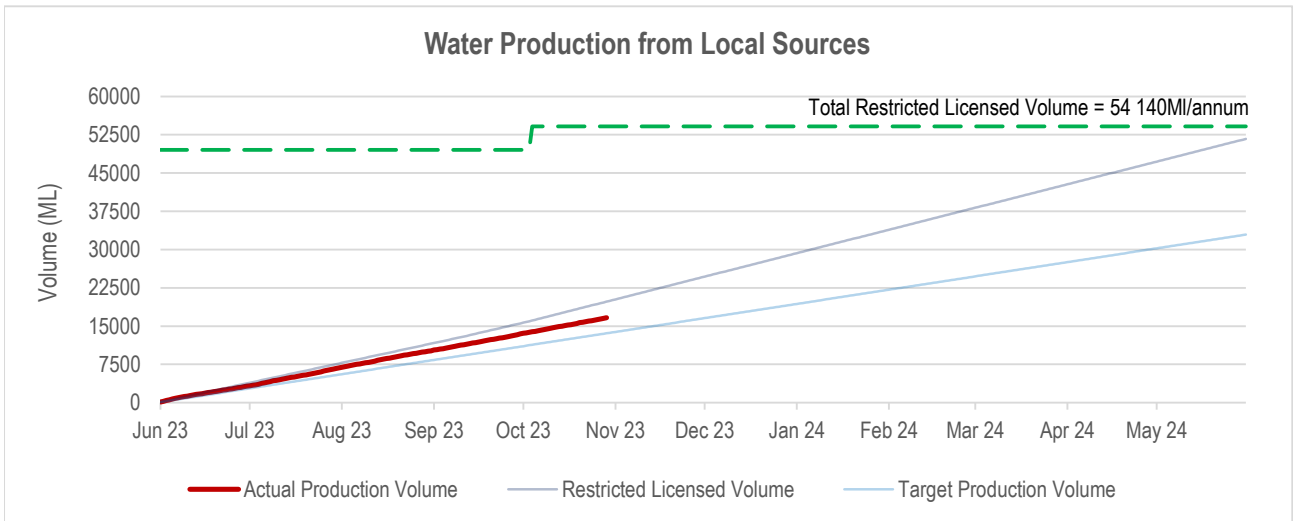

WATER SUPPLIED BY NMBM

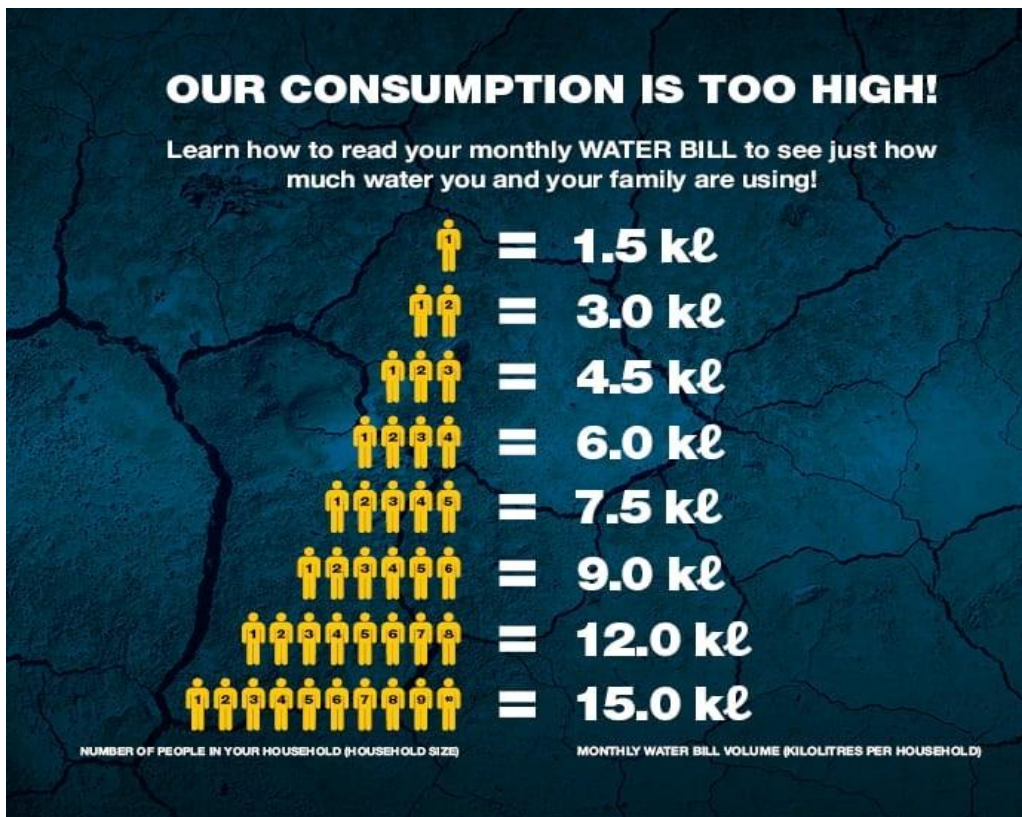

98 MLD	178 MLD	13 MLD
Local Dams	Nooitgedagt Scheme	Groundwater

* Groundwater output is currently limited by licensed abstraction volumes, required quality blending ratios, and operational limitations (including loadshedding).

LICENSED ABSTRACTION BY NMBM

WHAT SHOULD I DO?

ONLY USE 50 LITRES PER PERSON PER DAY

 2ℓ Drinking water	 2ℓ Cooking water	 2ℓ Washing hands	 9ℓ 1 toilet flush	 10ℓ 2 minute shower
 9ℓ 1 sink of dishes	 5ℓ Household cleaning	 1ℓ Water for pets	 10ℓ Laundry
