		Costs will include estimated unmetered consumption, the cost of rectification of any damage to equipment belonging to Council plus the costs of any necessary safe guarding of the supply cable and metering installation. In cases involving bypass of the meter, such safeguarding may include re-routing the supply cable and such costs must be paid for in full prior to the supply being restored. Where such re-routing requires any alteration wiring affecting the distribution board, the customer will be required to submit a compliance form for the wiring installation prior to reconnection of the supply.
