GQ11266558: ITEM 2

SUPPLY AND DELIVER BLUE POWDER-FREE NITRILE GLOVES FOR CHEMICAL HANDLING IN A LABORATORY

- Bidders are invited to supply and deliver disposable, **Powder-free**, Blue Nitrile Gloves for Chemical Handling in a laboratory.
- Unlike latex and vinyl, Nitrile gloves are made from Acrylonitrile Buta-di-ene Rubber (NBR) as the main part during manufacturing, which makes the gloves tougher and better against oils. This also helps the gloves stop holes and scratches better than natural rubber.
- Bidders must note that this is a specialized Personal Protective Wear (PPE) and must be 100% nitrile.
- Various sizes and quantities must be supplied as per pricing schedule that must be completed and returned.
- Bidders must note this tender will be awarded to one qualifying supplier.
- These gloves must be made of an Industrial PPE and safety quality/standard.
- These must be latex-free, powder-free synthetic rubber gloves engineered for optimal comfort, chemical resistance, and food safety.
- They must be supplied in various sizes of Small, Medium, Large and Extra Large, packed in sealed boxes of 100 pieces per box.
- Their Allergy Profile must be **Latex-free** design and that minimizes the risk of Type I latex allergic reactions.
- They must have a Barrier Protection and Strong resistance against common chemicals, punctures, and biohazards.
- They must have High tensile stretch and flexibility designed for easy donning and comfortable tactile sensitivity during extended wear.
- These gloves must be resistant to chemicals and offer strong protection against punctures and biohazards.
- The gloves must have adequate stretch and flexibility for ease of donning.
- These gloves must be resistant to chemicals and must offer strong protection against punctures and biohazards.
- Since these gloves will also handle food samples for analysis, it must be noted that Nitrile material is food safe and is the preferred glove of choice for the food industry.
- Bidders must note that this is a single supply which must be delivered and invoiced only once.

- It is compulsory that bidders submit samples for suitability assessment and complete/sign a register for further evaluation before close of tender.

MINIMUM REQUIREMENTS

1. **The bidder must submit a fully completed returnable document (Annexure A).**
2. **The bidder must submit a fully completed Pricing Schedule.**
3. **The bidder must submit a sealed perforated original box of samples to the the 1st Floor Room 14, Scientific Services Laboratory, Lillian Diedericks Building, Govan Mbeki Avenue. Samples must be submitted from 8:30am to 3:00pm while the tender is open and 8:30am to 10:00am on the closing day of the tender, to allow time to process samples and complete the register.**

Failure to upload the above before tender closing date will deem the bidder non-responsive.
Failure to submit samples as specified above will result to the bid being excluded on further evaluation.

ANNEXURE A (RETURNABLE DOCUMENT)

NO	SPECIFICATION	YES/NO
1	**THE BIDDER**	
1.1	Must note that the supplies are required to be 100% **nitrile**. Vinyl or latex gloves will be rejected.	
1.2	Must note that it is compulsory to submit sample gloves to the laboratory as per address specified on this tender.	
1.3	Must note that samples must be delivered to the **1st Floor Room 14, Scientific Services Laboratory, Lillian Diedericks Building, Govan Mbeki Avenue**.	
1.4	Must note that sample gloves must be delivered in a sealed perforated box in a size of **EITHER** XS, S, M, L, XL or XXL.	
1.5	Must note that a register will be provided on submission of samples and must be signed with company details completed.	
1.6	Must not leave the laboratory without the register being completed and signed.	
2	**THE BIDDER/SUPPLIER**	
2.1	Must note that all gloves must be supplied in original packaging of **100** pieces per box.	
2.2	Must note that all boxes must have original seals in place with perforation and boxes with additional sealants will be rejected.	
2.3	Must note that this is a single supply, which this means that all gloves must be delivered at once as per specific sizes ordered.	
2.4	Must note that the delivery will be rejected if any of the supplies does not meet the specifications as per sample received from the bidder and accepted by the laboratory.	
2.4	Must note that a complete delivery must be made within **10 working days** of placing an order.	
2.5	Must note that failure to deliver as per above will result in cancellation of the order and subsequent award to the second qualifying bidder as this is a readily available item.	
2.6	Must note that a single invoice will be processed once all supplies have been received.	

NB: BIDDERS MUST NOTE THAT ALL SECTIONS ON THIS TABLE MUST BE RESPONDED TO AND FAILURE TO DO SO WILL DEEM THE BIDDER NON-RESPONSIVE.
